Teriyaki Madness

mylifeintastes 🚩 🇺🇸 NEW RESTAURANT ALERT!!! @teriyakimadnessroundrock hosted me the other day to try their menu! 3 words I would use to describe the food: fresh, flavorful, & affordable 🍴 🍴 🍴 The portions are huge, the food is ALL made to order so it comes out HOT every damn time, and all of the house-made sauces are packed with natural flavors. They are a new restaurant (and VERY new to the Instagram game) so please give them a follow!!!! Swipe to see everything I tried! 😋

- 1 Spicy chicken teriyaki with noodles & mixed veggies
- 2 Chicken katsu with house made sauce & fried rice
- 3 Beef teriyaki over fried rice
